BAPTISM

at University Carillon

The decision to baptize a child is an important one. We understand baptism as a sacrament (a means of God's grace), and believe it is essential for parents to be clear about the meaning of this important event. With that in mind, here are some guidelines to assist you in your thinking and planning.

Baptism Guidelines

1. The **Baptism Schedule** is as follows:
 - At the Sunday Vessel (11:30) service, baptism can be scheduled almost any weekend.
 - At the 8:45 and 10 am Sunday services: due to time limitations, baptisms can only be scheduled on non-communion weekends.
2. All parents are invited to attend a teaching/information session on baptism led by one of the pastors. This meeting covers the meaning of baptism and interpretation of the baptism vows.

To schedule a meeting, please contact Laura Fohr (Administrative Assistant to the Pastors) at (407) 588-1709 or LauraFohr@universitycarillon.net.
3. The baptism is scheduled early in the service. Following the baptism, infants and toddlers may be taken to the nursery if you choose. Please let your guests know that a well-staffed nursery is available for their children, from infants through four years of age.
4. During the baptism, parents may invite grandparents to stand with them on the platform or at the altar.
5. Following the worship service, the pastors(s) will be happy to gather with the family for photographs. Please let family members know that *no flash pictures are to be taken during the service*. A video camera may be used if the photographer remains seated in the first row.
